★ ★ ★ ★ PROGRAM ★ ★ ★ ★

Today was our tour of the new jail. Joyce Klein from the Sherriff's department led our tour. Too bad there were no biologists with us to explain about all the cells. And no, there is no truth to the rumor that the guards are called "bartenders." In addition to the extra beds (badly needed), the new facility has room for booking and other areas that were lacking. The capacity is increasing from 89 to 140 beds. More housing is possible in a presently unfinished, shelled-out area. In fact, much of the facility was designed for future expansion to 200 or even 300 beds.
